

AllSafe®

Refrigeration case cleaner & disinfectant

AllSafe® is a world first - a cleaner and disinfectant for commercial refrigeration casework, with a formulation that leaves metals, plastics and glass sparkling clean & safe. Cutting edge technology that replaces traditional acids means AllSafe® can quickly take care of common build-ups found on fridge casing - but is still mild enough to be used in safety-conscious retailing areas.

AllSafe® is biodegradable, non-fuming, phosphate free and contains metal protecting inhibitors - Giving peace of mind that not only you, but the equipment and your environment are now All Safe.

Specification

| | |
|--------------------------------|---|
| Name | AllSafe |
| Product Code | 010262 |
| Packing Quantity | 4 x 5l |
| Packing Size | 40 x 30 x 28 |
| Shipping Weight Kg | 23 |
| Shipping Volume M ³ | 0.0336 |
| Application | Refrigeration case, plastics, metals, glass |
| Soils | Mould, food debris |
| Dilution (water:product) | N/A |
| Contact Period | As required |
| Rinse/Flush Required | YES |
| Special Features | NSF registered formula |
